

Welcome Amity Interns!

We have eight Amity Interns at PSI for the 2015-2016 school year adding valuable assistance in classrooms, sharing their culture and Spanish language skills with our students. As you see them in the hallways and assisting your children, please welcome them to PSI and our community.

Back row: Sergi Monclus (Barcelona, Spain), Mikel Gine (Araia, Spain), Angel Ricardez (Tabasco, Mexico), Lucas Palacios (Madrid, Spain), Laura Munoz (Madrid, Spain)
Front row: Cristina Calvo (Valladolid, Spain), Miguel Alonso (Madrid, Spain), Paloma Miguez (Vigo, Spain)

Bringing Spanish speaking interns to PSI would not be possible without families willing to open up their homes. A huge thank you to all our Fall Host Families and Aunt/Uncle Families.
