

Book Character Parent Rally - Oct. 14

Dig into your child's dress up box and bring out those art supplies - it's Book Character Parade time!

Get creative! Sometimes it's easier to start with an accessory you already have, then find a book to match. Remember non fiction topics for easy ideas. Costumes must be kid friendly. **Even if you don't have a costume, a book is all you need to show your support!** Some costumes provided - arrive early!

Surprise your kids! Leave as soon as the bus comes, or if you're crunched for time, coordinate with family members or neighbors so that your children get on the bus safely and you can still surprise them at school.

Showcase your love of reading! Reading is one of the best habits children can have to help further their education. Show your support while making them smile!

Please park in the back lot, check in at the office and meet outside of Door #2 (by the flag pole) by 8:00. Parents will read aloud from their book while greeting students as they get off the buses. You may also meet students from Kiss & Ride at the back of the school.

Thank you for kicking off PSI's Leer-a-tón and encouraging a love of reading!

Don't forget to bring a book!
